Play N Learn Academy

I am so excited to finally be able to share my dream with all of our old and new families and staff! It has been a long road and I am so thankful to so many people that stood by me during this process. To my staff and fellow educators, small businesses in our community and of course all of you I am truly grateful and I thank you all!

As we all finally start to feel at home in our new building I wanted to address a few things that we are still working towards. Our classrooms are wonderful but we are ironing out a few details and you may have or will notice a bit of a change as far as classrooms go. We are working very hard to make sure your child is in the best possible age group developmentally to promote growth while focusing on safety. I am in the process of getting my teachers their new chrome books so we can start communicating through time line, this is an app that you downloaded already. I am hoping to have this up and running in the next few weeks!

Note To Self:

Reminders:

- We are Closed on Presidents day 2/18!
- Please remember to check your child all the way in or out by touching their name and all done.
- If you have questions please make sure to see your child's teacher or me!

Happy Valentines

Our Valentine's party will be in the morning on the 14th. We encourage treats but please no nuts! Also, please make cards addressed from and don't worry about to as each child will receive one. Also please bring your special box!

Parent Resource:

This is an amazing website. We use it in our classroom to help work through social emotional issues. We encourage you to check it out and use some of it at home with your child
